

The background is a solid dark blue. It is decorated with various abstract, hand-drawn shapes in bright colors: yellow, red, green, and blue. These shapes include squares, rectangles, circles, and loops, some of which are partially cut off by the edges of the frame. The overall style is playful and artistic.

DEFINICION

RoBERTa es un modelo de PLN
desarrollado por Facebook

Está basado en el modelo BERT. Pero se re-entrenó con mejoras en su metodología, más datos y mayor poder computacional, obteniendo mejores resultados en varias métricas.
